have no contact with minors under the age of 18, including by correspondence, telephone, internet, electronic communication, or communication through third parties, with the exception of the defendant's own children. The defendant's contact with his children will be limited to occasions when the probation officer is informed in advance of the defendant's intent to have that contact and the probation officer approves it. The defendant shall not have access to or loiter near school grounds, parks, arcades, playgrounds, amusement parks or other places where children may frequently congregate, except as may be allowed upon advance approval by the probation officer;

The defendant shall not remove, tamper with, reverse engineer, or circumvent the software in any way. The defendant shall only use authorized computer systems that are compatible with the software and/or hardware used by the Computer and Internet Monitoring Program. The defendant shall permit the probation officer to conduct a preliminary computer search prior to the installation of software. At the discretion of the probation officer, the monitoring software may be disabled or removed at any time during the term of supervision;

This may include the retrieval and copying of any prohibited data and/or the removal of such system for the purpose of conducting a more thorough inspection. The defendant shall provide written authorization for release of information from the defendant's internet service provider;
